

# *Home Sellers Guarantee*

**100% Full Money Back Satisfaction Guarantee!** If you decide that you are not completely satisfied with our service and want to cancel your listing agreement with us, and MLS list with another traditional, full service real estate company, (this means a traditional, regular commission 4% to 5%, non-flat fee Realtor®) and we handle the referral to the real estate company of your choice, or one that we help you find, and that real estate company agrees to pay New Market Realty, Inc a 25% referral fee, then after your closing we will issue a full refund to you for the total amount you have paid us. Please do not speak with any agent from the real estate company you wish to be referred to. New Market Realty will make all the necessary arrangements with the company of your choice. In the event that you cancel your listing contract and do not re-list your home, no refund will be given.

Although this guarantee is one of the best in the business, New Market Realty, Inc. is confident that you'll never need to use it since, unlike other companies, you can stay listed with us until your home sells!
